Twist Your Own Adventure with Hannah van Didden

One day you wake up and decide to take a walk. This day begins as any other day, but this walk is not like any other walk. You think you know where your path leads, but you don't—at least to start with. Accompany Hannah on a wild ride past the known realm of your imagination to create a truly twisted tale... if you dare.

Hannah van Didden

Hannah van Didden is a Perth-based writer and book designer. Pieces of her have appeared in publications such as *Southerly* (Aust.), *Breach* (Aust.), *Hippocampus Magazine* (US), *Atticus Review* (US), and *Southword Journal* (Ire). While trying to stay faithful to writing novels and helping others get their writing ready for publication, she entertains a love affair with short forms. In another life, she helps others to run their projects with discipline and creativity. This balance feeds her writing—and potentially yours—when you seek her advice or come to her workshops.
